SAMSUNG

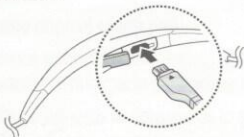

Device Functions

Setting Up Your Gear Circle

Charging the battery

1. Open the charger port cover and insert the USB cable into the charger port.
2. Insert the other end of the USB cable into the charging head, and plug the charging head into an electrical outlet.

NOTE: To save energy, unplug the charger when not in use. The charger does not have a power switch, so you must unplug the charger from the electric socket when not in use to avoid wasting power.

Charging indicator

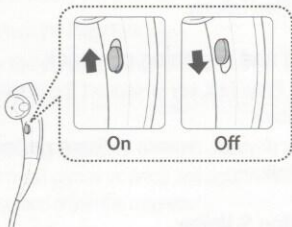

Charge the battery before using the Gear Circle for the first time. The charging indicator glows red during charging, and green when charging is complete.

- **Charging:** Red
- **Fully charged:** Green

Caution!: Use of a non-Samsung charger may damage the Gear Circle and void warranty.

Turning the Circle on or off

Slide the Power switch up or down to turn the Circle on or off.

Connecting to other devices

Connecting devices using the Gear Manager

1. **Other device:** Download the Samsung Gear Manager app from **Galaxy Apps**.
2. **Other device:** Turn on Bluetooth.
3. **Gear Circle:** Turn on the Gear Circle.
4. **Other device:** Select the model name.
5. **Other device:** When the **Bluetooth pairing request** window appears, tap **OK**.
6. **Gear Circle:** When the connection window appears, tap **OK**.
7. **Other device:** Tap **Finish**.

NOTE: The Samsung Gear app is available for Samsung smartphones that have more than 1 GB of memory and run Android 4.2.2 or higher.

Connecting devices via Bluetooth

When you turn on the Gear Circle for the first time, the Gear Circle automatically enters Bluetooth pairing mode. The status indicator flashes green, blue, and then red for 3 minutes.

- 1. Gear Circle:** Turn on the Gear Circle.
- 2. Other device:** Turn on the Bluetooth feature and access the Bluetooth menu and scan for the Gear Circle.
- 3. Other device:** From the search results, tap **Gear Circle**.

NOTE: If the Circle does not enter Bluetooth pairing mode, separate the earphones and press and hold the Play/Talk key for 3 seconds.

Wearing the Gear Circle

Cover the earphones with the provided earbud tips and put the earphones on. The earphones contain magnets so that they can be joined.

Joining the magnets

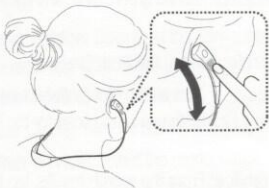

Attaching the neck guide

NOTE: Wearing the the neck guide (during physical activities) will prevent the neckband from falling off.

Adjusting the volume

Swipe up or down on the Volume control touch pad to adjust the volume.

Using the Gear Circle

Answering a call

While wearing the Gear Circle

- Press the **Play/Talk** key.

While the earphones are connected

- Separate the earphones and the call will be received.

Rejecting a call

When a call comes in, press and hold the **Play/Talk** key for 1 second or join the magnets.

Switching sound output

When the earphones are connected, you can automatically switch the sound output to the Gear Circle by separating the earphones.

Ending a call

Press the **Play/Talk** key or connect the earphones.

Playing music

Press the **Play/Talk** key.

Pausing and resuming playback

Press the **Play/Talk** key or connect the earphones to pause playback.

To resume playback, separate the earphones and press the **Play/Talk** key.

Launching S Voice

While you are wearing the Gear Circle, press and hold the **Play/Talk** key for 1 second.

If the connected device support **S Voice**, you can use the app via the Gear Circle.

Controls functions

- **Power switch:** Slide up or down to turn on or off.
- **Play/Talk key:** Press to answer or end a call.
 - Press to play music or pause playback.
 - Press and hold for 3 seconds to enter Bluetooth pairing mode.
 - Press twice to skip to the next song while playing music.
- **Volume control touch pad:**
 - Swipe upwards or downwards to adjust the volume during media playback or a call.
 - Swipe upwards or downwards to stop the Gear Circle vibration mode for incoming calls.

Status indicator

- **Bluetooth pairing mode:** Blinking green, blue, and red
- **Power on:** Blinking blue 3 times
- **Power off:** Blinking red 3 times
- **Incoming call:** Blinking blue

Using the Samsung Gear app

If the Circle is connected using the Samsung Gear app, you can access additional features, such as adjusting the sound effect or setting notifications.

- On the connected device, open the Apps screen and tap **Samsung Gear**.

Gear SoundAlive

Select a sound effect or adjust the sound effect manually.

- From the Samsung Gear app, tap **Gear SoundAlive**.

Notifications

Set the device to notify you of missed calls and new messages via a voice notification to the Circle.

- From the Samsung Gear app, tap **Notifications** > slide the slider to the right to turn it on > **Manage notifications**.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be from a notebook or a standard sheet of stationery. There is no handwriting or other markings on the page.
