

Congratulations and thank you for purchasing the Trillium Glare Vis'r Model GS-2014.

Note: It is intended to block glare and reflection. If you find looking directly through it distracting, simply position it above your view of the road. Please follow the instructions below to properly install, use and maintain your new Glare Vis'r. Use the photos below for reference.

GLARE VIS'R™

INSTALLATION

While parked, pull the vehicle visor down. Use care to slowly ease the open end of the two visor clips onto the bottom of the car visor. Make sure that both clips grip the visor securely but do not force as clips may break if expanded too far. Once installed properly, the Glare Vis'r will fold up on top of the visor when the visor is not in use.

Blocks Harmful UVA & UVB Rays!

USING THE GLARE VIS'R

When the Glare Vis'r is securely installed, you are ready to use it. While maintaining vision through the windshield, carefully unfold the car visor from its stored position and carefully unfold the unit from its stored position and adjust to suit your needs.

USING THE GLARE VIS'R ON THE SIDE WINDOW

As you would normally flip your car visor to the side to block glare coming through the side window, the Glare Vis'r can help to block glare through the side window. With the unit folded up and out of the way above the visor, carefully unhinge your car's visor from its locked position, slowly swivel the car visor toward the window and unfold the car visor. Now unfold the unit from its stored position and adjust to suit your needs.

STORING THE GLARE VIS'R

When not in use, the two-way clips allow the Glare Vis'r to easily fold up and out of the way, on top of the vehicle visor.

CAUTION: THE GLARE VIS'R IS DESIGNED TO HELP PROTECT YOUR VISION FROM GLARE OF THE SUN OR REFLECTIVE SURFACES. IT SHOULD NOT BE USED IF IT INTERFERES WITH NORMAL VISION OF THE ROAD. ALWAYS MAINTAIN DIRECT VISION THROUGH THE WINDSHIELD WHILE DRIVING. NEVER ATTEMPT TO INSTALL OR REMOVE THE UNIT WHILE DRIVING. PULL OVER AND STOP THE VEHICLE TO INSTALL OR REMOVE IT. DO NOT USE IF IT INTERFERES WITH THE PROPER STORED POSITION OF YOUR VISOR OR IF YOUR VISOR CAN UNEXPECTEDLY DROP DOWN.

CLEANING - While the vehicle is parked, remove the unit and gently clean it with liquid soap and water. Dry with a soft cloth. Never use paper products to clean or dry the unit as they may scratch its surface. 100% UV Stabilized Polycarbonate.

Warranty: The Glare Vis'r is warranted against defects in workmanship and materials for 30 DAYS from the purchase date. Limitations include: implied warranties, property damage caused by product failure or any other consequential damages including personal injury. This warranty is applicable to Glare Vis'r failure and does not cover defects or damage due to external causes, including accidents, abuse, misuse, normal wear and tear, scratches, scuffs, buyer remorse, failing to follow instructions as to use, storage or cleaning, or if you alter or attempt to repair the Glare Vis'r. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
