INSTRUCTIONS AND RECIPES

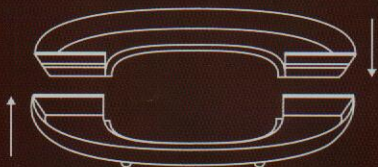

Before using: Read these instructions before using this unit

PARTS & ASSEMBLY

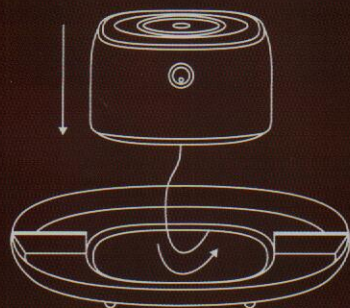

What includes

Assembly

1. Put together the trays by clicking the 2 sides together.

2. Thread the plug of the Electric S'mores Maker through the hole in the center of the tray.

3. Place the Electric S'mores Maker in the center of the tray.

How to operate

Place the Electric S'mores Maker on a flat, stable surface near an electrical outlet before starting.

Always make sure that the cord is away from any water source.

Plug the appliance into an electrical socket.

Fill the food compartments with marshmallows, graham crackers, chocolate, or other desired food items. **See recipes for existing ideas!**

Turn the Power Switch on the Electric S'mores Maker to "ON" position, Red light should turn on.

NOTE: After a period of time, the Heater and Top Cover may glow red hot. Push marshmallow into the tines (prongs) of the Roasting Fork provided. Hold the handle of the Roasting Fork and hold above the Heater; rotate frequently to ensure even heating.

When the marshmallow has been roasted to the desired color and doneness, it is ready to serve.

Once finished with the Electric S'mores Maker, turn Power Switch to the OFF position and unplug from electrical socket.

By following these simple instructions, your Electric S'mores Maker will be fun for friends, family, and kids of all ages!

Cleaning & Maintaining

Make sure the unit is unplugged before cleaning. Allow all parts to become COOL to the touch, especially the Heater and Top Cover.

To prolong the life of your Electric S'mores Maker, please follow these simple instructions for maintenance.

Turn Power Switch to OFF; position, unplug unit from the electrical socket before cleaning. Allow unit to cool for at least 20 minutes before cleaning. Top Cover will be hot to the touch.

Once appliance has cooled, remove the Top Cover from the Electric S'mores Maker. Clean with a soft, damp cloth, or wash in warm, soapy water and rinse.

Dry Electric S'mores Maker, and Top Cover, and Roasting Forks thoroughly before storage. Make sure the appliance has completely cooled and is dry before storing.

Never use abrasive cleaners on the unit.

Never place the "Heater" in a dishwasher. The Tray and Compartments are dishwasher safe.

NOTE : Do not submerge the heating part in water, as it is an electrical unit.
