The picture is for reference only, the product is subject to the actual product.

IMPORTANT - These instructions are for your safety. Please read through them thoroughly prior to handling the product and retain them for future reference.

· WARNING

1. Pay attention to waterproofing and moisture prevention during use.
2. Do not place items on the product that exceed its load-bearing capacity.
3. If you need to place small items, it is recommended to purchase PP boards or wooden boards separately to use together.
4. The small parts and packaging bags of the product are at risk of being ingested and suffocated by children. Please place them out of reach of children.
5. It is recommended to use neutral cleaning agents or metal specific cleaning agents to avoid damaging the paint layer on the metal surface.
6. The circular black hollow gasket is only used for product transportation protection and is not used as an installation accessory.
7. The product style is subject to the actual order, and the illustrations are for reference only.

Note: This manual applies to both the 4-tier and 5-tier shelves, as the instal lation methods are identical. Please complete the installation according to the actual number of tiers you have received.

· Parts

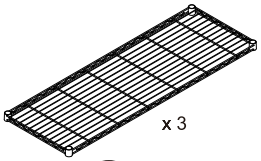

A Upper pole

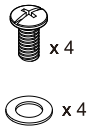

B Bottom pole

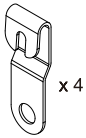

C Garment rod

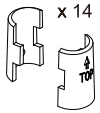

D Shelf

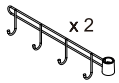

E Screw

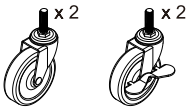

F Hook

G Spacer

H Side Hook

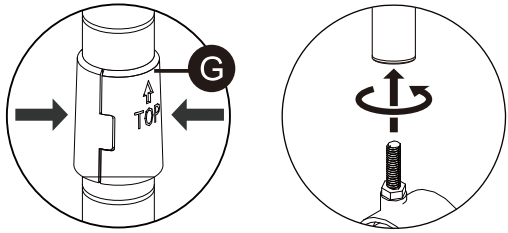

I Wheel

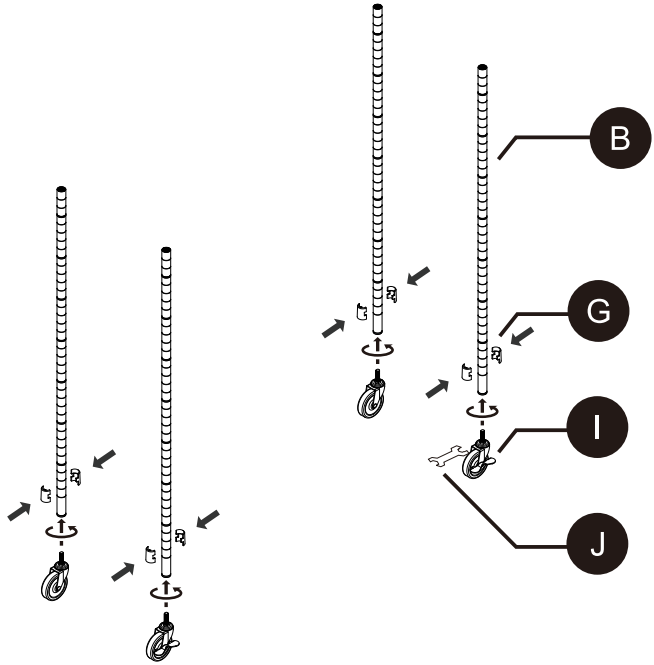

J Wrench

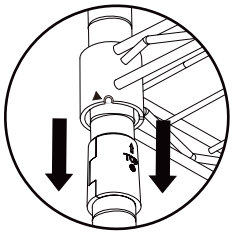

Before you start. Check the pack and make sure that you have all parts listed above.

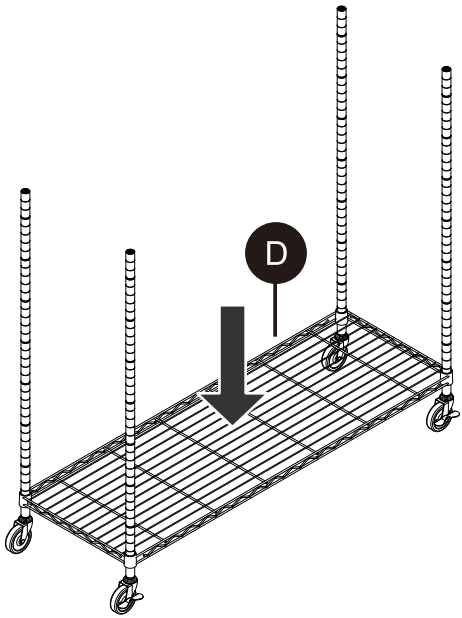

1. **Install spacers at the corresponding position of the bottom poles. Screw the wheels into the bottom poles with the wrench.**

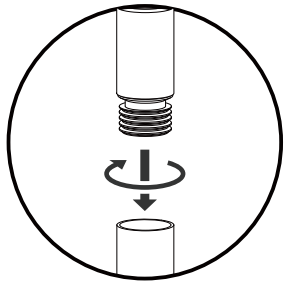

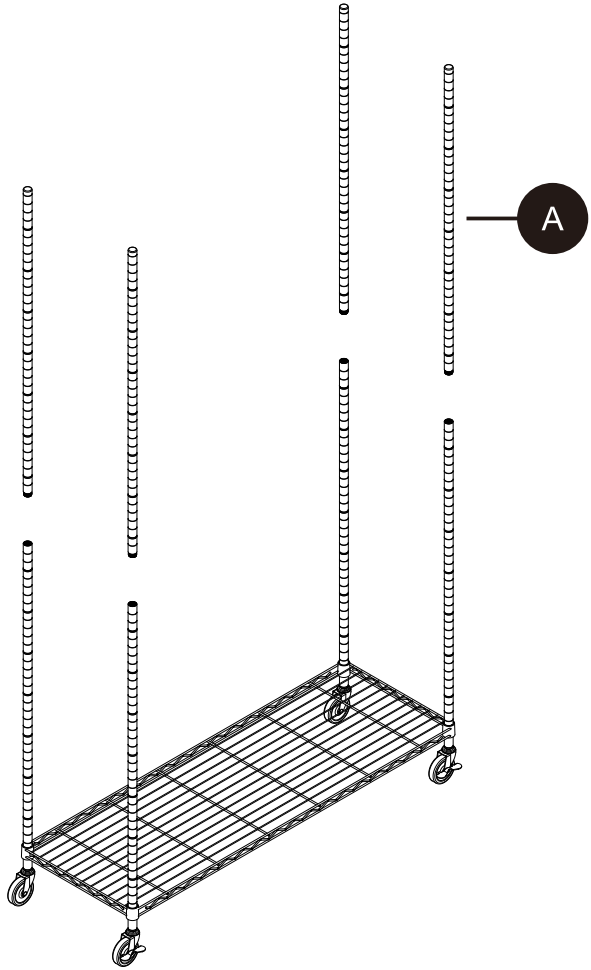

2. Install the shelf into the bottom poles.

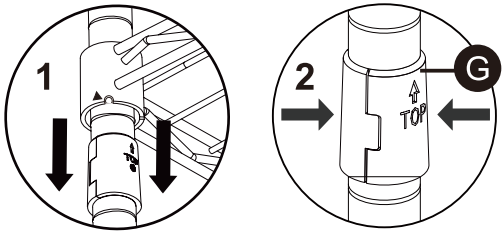

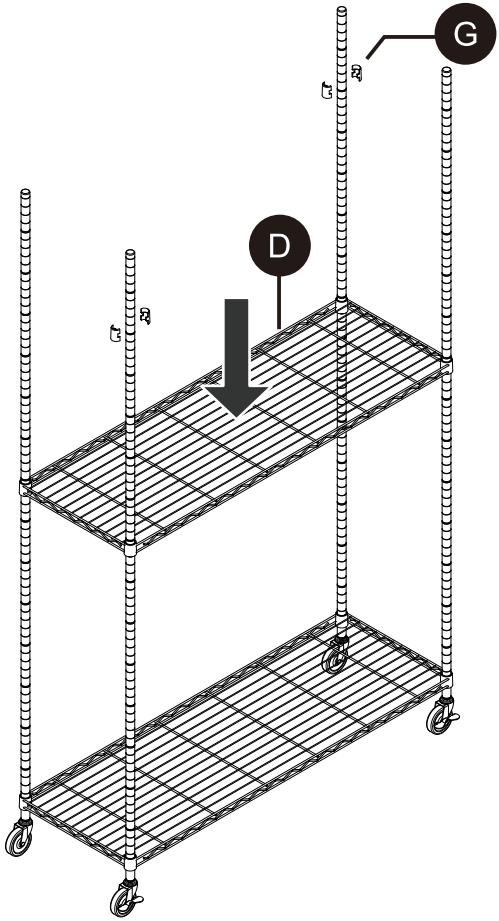

3. Connect the upper poles to the bottom poles.

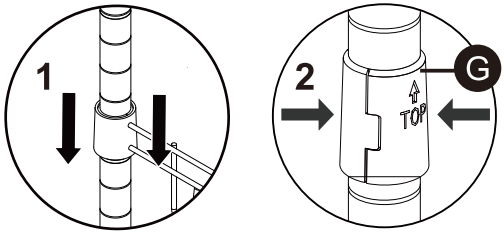

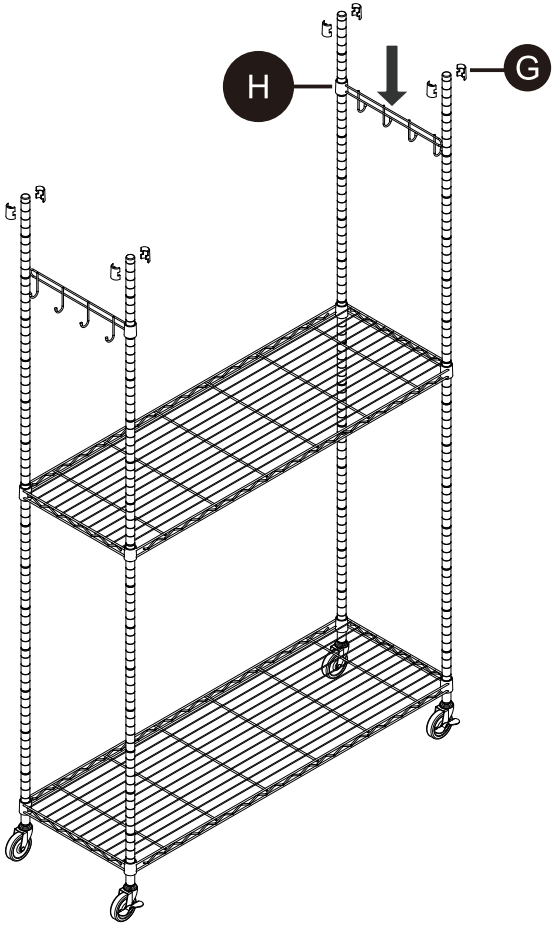

4. **Install the shelf into the bottom poles. Install spacers at the corresponding positions.**

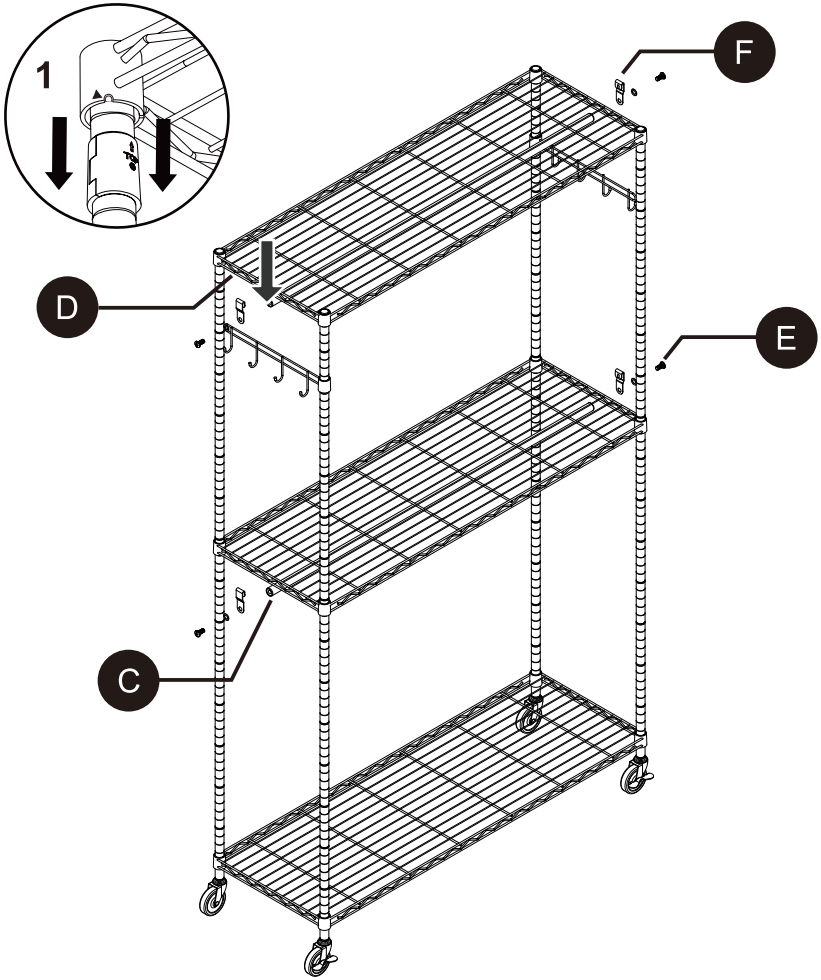

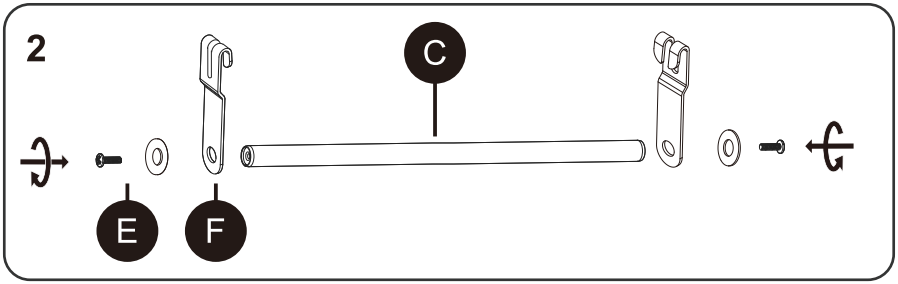

5. **Install the side hooks into the upper poles. Install spacers at the corresponding position of the upper poles.**

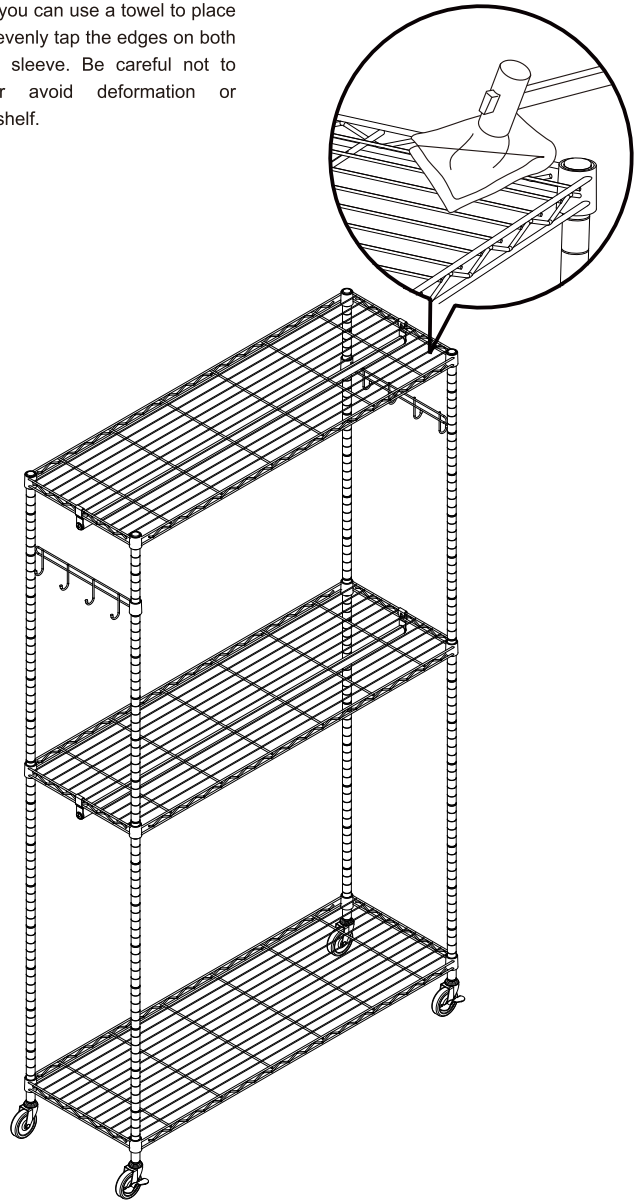

6. Install the shelf into the upper poles. Install the garment rods.

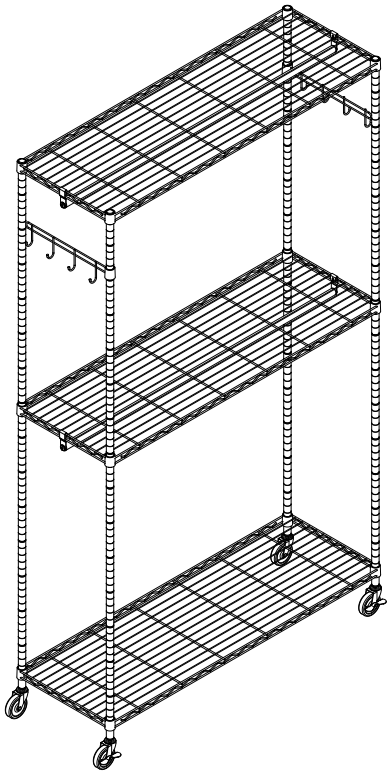

7. Fixed

If you are concerned that the shelf is not securely fastened, you can use a towel to place it on the shelf and evenly tap the edges on both sides of the cone sleeve. Be careful not to forcefully tap or avoid deformation or detachment of the shelf.

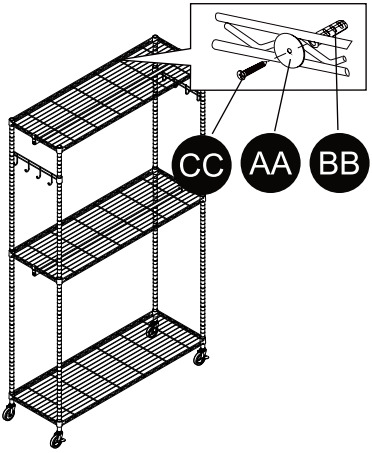

8. Installation completed.

WARNING

If the item is up to 59in high, this step is REQUIRED to ensure the stability of the item.

Using a pencil (not included) through the top shelf(A) mark the screw hole locations, then set the item aside (with the help of another person) Using a 1/4-in. drill bit (not included), drill a 1/4-in. pilot hole at marked locations. Insert anchors(BB)into the holes, then move the item back into position. Insert the screws(CC) through washers(AA) and the shelf(A). then into the anchors(BB).

Hardware Used (not shown actual size)

AA	Washer		x 2
BB	Anchor		x 2
CC	Screw		x 2

Limited Liability & Warning
