CHARGING THE HEADPHONES

These headphones have an internal rechargeable battery. The battery must be fully charged prior to use. Charging time is approximately 1.5 hrs. Your headphones cannot be used while charging.

Red light ON – Charging Blue light ON – Fully charged

A Via AC Adapter Wall Charger

Using the provided Micro USB cable, connect the headphones (Micro USB port) to the AC Adapter (USB port).

B Via Computer

Using the provided Micro USB cable, connect the headphones to the computer or laptop (USB port).

PAIRING THE HEADPHONES TO BLUETOOTH DEVICE

Make sure the Bluetooth function is available on your cell phone. Specific pairing procedures will be different depending on different cell phone. For detailed information, please refer to your cell phone's User Guide.

- If no device connection is made within 5 minutes of the headphones being switched on, the headphones will automatically be switched off to save power.
- After a successful pairing devices will memorize each. Therefore, no pairing will be needed next time.

over

PAIRING TO BLUETOOTH DEVICE (CONTINUED):

1. Turn OFF the headphones by pressing and holding the multifunction key for about 3 seconds. Turn it back on by pressing and holding the multifunction button.
2. Keep the distance between the cell phone and the headphones within 3 feet (for pairing only).
3. Activate the Bluetooth function of the cell phone, to search for the Bluetooth devices. After finishing the search, select "tzumi-headphone" in the device list displayed.
4. Press "yes" or "enter" key to confirm the successful pairing.
5. After the successful connection, the blue light of the headphones will flash quickly twice every four seconds.

CONNECTING TO OTHER BLUETOOTH DEVICES

Note: Your headphones can only be connected to **one** Bluetooth device at a time.

1. In order to connect to the other Bluetooth device, you must first close the current Bluetooth connection.

2. Follow the above steps (under **PAIRING TO BLUETOOTH DEVICE**) to pair your earbuds to another Bluetooth device.

FAQ's

Q: Why can't I turn the headset on?

A: Make sure your device is fully charged before using it for the first time. Your device can not be turned on if battery level is very low. Refer to Charging the headphones section of the manual.

Q: There is no sound during playback.

A: Check the connection between your device with phone or computer. If the connection is not established, please reconnect again. And adjust the volume level to a suitable level.
