ASSEMBLY INSTRUCTIONS

RAKE INSTALLATION:

1. Align the metal pin with the hole for parts 1 and 2. You should hear a "click" once it securely passes through.

2. Repeat the process for parts 2-3 and 3-4 until the rake is fully assembled.

CONTAINER BIN INSTALLATION:

1. Identify part 5 as shown below which contains the rake clip.

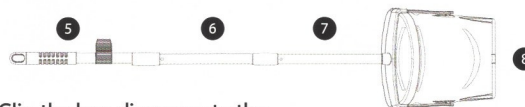

2. Align the metal pin with the hole for parts 5 and 6. You should hear a "click" once it securely passes through.

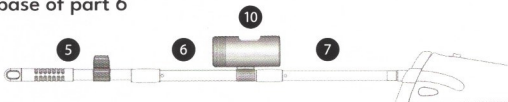

3. Repeat the process for parts 6-7.

4. Turn the threaded rod (Part 7) into the container (Part 8) in a clockwise direction until it is fully secure.

5. Clip the bag dispenser to the base of part 6

POOP BAG INSTALLATION

Push the bag fully into the bin.

Wrap the bag handles around the clips on each side of the bin.

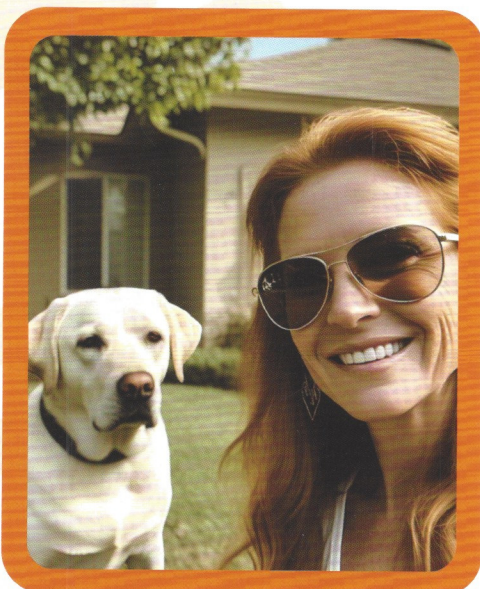

Scoop that poop!

To dispose, simply remove the bag handles from the clips and pull the drawstrings to seal the bag.

OUR MISSION

Pupzle was born with the **mission to simplify pet clean-up**. I was fed up with the constant smell of dog poop in my yard, and my back was sore from frequently bending. So I set out to design durable and ergonomic tools to make pet clean-up easier for all.

We thank you for supporting Pupzle and hope you love using our products.

SUPPORTING ANIMAL WELFARE

At Pupzle, we are deeply committed to enhancing the welfare of animals. Our passion for pets extends beyond creating better products; it drives us to make a positive impact on the lives of animals in need.

With every purchase of a Pupzle product, you join us in our mission to improve the lives of animals and make a meaningful difference.
