MIULEE

Initial Fluffing Instructions

Top Choice: With dryer balls: Tumble dry medium heat, 4 pillows max.

Alternative: Pat firmly from all sides towards the center several times.

TIP: Its flat state is not a defect. Within 48 hours it will fully expand!

Cleaning Guide

1 Stain Pretreatment:

- Dampen the stained area with warm water.
- Apply cleaner and gently scrub.

2 Machine wash:

- Use gentle cycle with cool water.
- Wash two pillows together for machine balance.

3 After washing:

- Tumble dry thoroughly or use dryer balls to prevent mold.

4 Critical Reminder:

- Machine washing non-woven fabric may result in tearing.
