model kit OPTIMUS PRIME [G1 ver.]

Search for part

Look for the part number on runner to find out the part.

Cut out part

Cut the gate a bit away from the part with a nipper.

Cut the remaining gates with a nipper or cutter.

WARNING

Please handle with care and keep out of the reach of children under 15 years old.

This product may contain small parts, it may be harmful if swallowed.

This product may contain parts that have sharp points and edges. Please handle it carefully to avoid getting injured.

Please do not cover your head with plastic bag. It is dangerous and may cause suffocation.

Ensure good ventilation when applying paint.

ATTENTION during assembly

- Please read this manual thoroughly before assembly.
- Please check the part number and then cut it out with a nipper. Please throw the scum away.
- Because there are unavoidably sharp parts, please be careful not to scratch your eyes or skin.
- When applying paint, we recommend using "water-based paint".
