PLAYING INSTRUCTIONS

Any number of players may play — teams may be formed. Age — level 1 (5-9 years); level 2 (10-13 years).

OBJECT OF GAME:

First player or team to reach 30 points (fast game) or 60 points (regular game). Prior to play, establish which game you are playing.

Quizmaster can be self appointed or if more than one player desires to be quizmaster, roll a die and the highest roll is 'it'. When it is the quizmaster's turn to play, the person to his/her right will ask the question.

Shuffle cards, keeping levels separate.

Roll die to determine first player, first player will then roll again to determine category and play will continue in a clockwise manner.

Categories determined by the roll of the die are:

- | | |
|------------------------------------|-------------------------------|
| ● 1. Entertainment / Famous People | ● 4. Literature / Art / Words |
| ● 2. Sports / Games | ● 5. Geography / Space |
| ● 3. Science / Computers | ● 6. History / Traditions |

SCORING:

Determine level of play by 'age' and award 2 points for each correct answer. No points are deducted for incorrect answer when playing on your own level. At any time after the roll of the die, but before the question has been asked, a 'level 1' player may choose to attempt to answer a 'level 2' question. If successful, player is awarded 3 points, however, if incorrect answer or no answer, 2 points will be deducted from score. At any time after the roll of the die, but before the question has been asked, a 'level 2' player may choose to attempt to answer a 'level 1' question. If successful, player is awarded 1 point, however, if incorrect answer or no answer, 2 points will be deducted from score.

Set up scorecard on plain paper as follows:

	Player No. 1 Name	Player No. 2 Name	Player No. 3 Name
Round 1	2	0	2
Round 2	+2	+2	-2
Total	4	2	0

After two rounds, player No. 1 has answered both questions on own level correctly, player No. 2 has one incorrect and one correct on own level and player No. 3 has one correct on own level and one incorrect on other level.
