Vinyl Storage Bag

Directions For Use

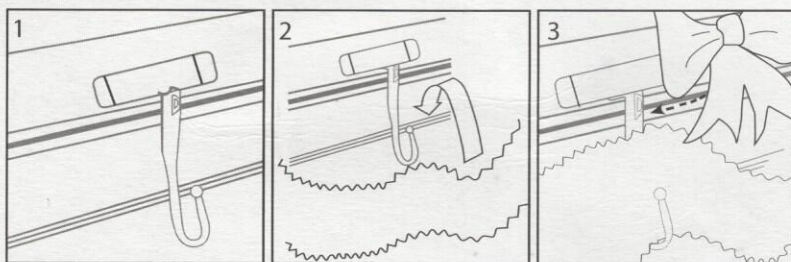

Garland Grabbers® is a registered trademark of Deck The Rails, Atlanta, GA

Easy As 1-2-3

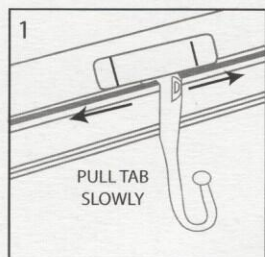

BANISTER

1. Evenly space clips on banister being sure to slowly roll clips over the banister from the back to the front.
2. Loop garland with desired amount of swag.
3. Tie bow to clip.

MANTLE

1. Clean mantle surface. Remove tape backing and firmly apply clip to mantle.
2. Loop garland with desired amount of swag.
3. Tie bow to clip.

REMOVAL OF TAPE

Firmly hold front of clip in place. **SLOWLY** pull tabs away from clip one at a time. Be carefull not to let clip pop off of mantle without fully releasing tape strip.

Note: If tape strip breaks on both sides, heat clip with a hair dryer and pull dental floss between the clip and the strip. DO NOT force clip off of mantle or damage could occur.
