2 Person Swing

Frame Assembly

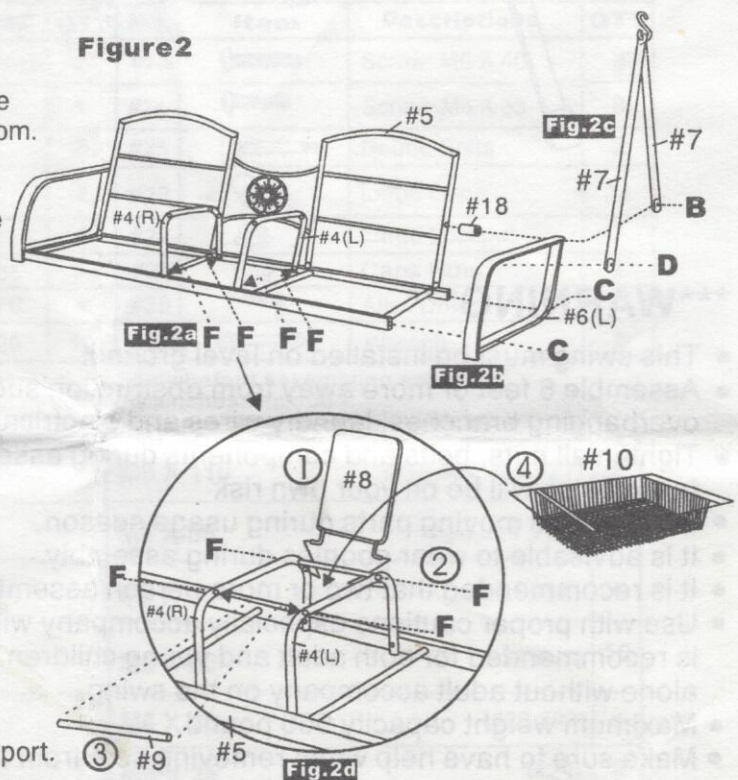

1. Take two #2 tubes with one #3 side decoration and attach together by using two hardware sets D. (See Figure 1)
2. Repeat the above step for the other side of frame tubes (#2).
3. Insert the top cross bar (#1) in between #2 tubes as shown in Figure 1 by using four hardware sets A.
4. Insert four foot caps (#16) onto bottom of each #2 frame tube.

Seat and armrest assembly

1. Put on left and right tray supports (#4) onto seat frame (#5) by using four hardware sets F. (See Fig. 2a)
Do not tighten the screws completely.
2. Attach right armrest (#6L) onto seat frame by using two hardware sets C on the bottom. (See Fig. 2b)
3. Repeat the above step for the other side of armrest.
4. Attach two seat swing arms (#7) onto armrest, use one hardware set D for front swing arm and use one hardware set B for rear swing arm. (See Fig. 2c)
5. Repeat the above step for the other side of seat swing arms.

Figure 2

6. Insert the tray cover (#8) in between tray supports.
7. Attach two tie rods (#9) in between tray supports by using two hardware sets F for each tie rod.
8. Then put the tray (#10) onto the tray support.
9. See Fig. 2d for above step 6.7.8.

2 Person Swing

Figure3

Canopy assembly and installation

1. On one side of the canopy pass the canopy side brace (#13) into the sleeve in the canopy. Place the canopy frame (#12) on the inside and fasten together by using two hardware sets G. Repeat the other side of the canopy. (See Figure 3)

2. To install the canopy, on each side, pass one round bolt (#25) through the hole in the cross bar, then through the hole in the canopy frame and finally secure by screwing the adjustment knob (#15) onto the end of the bolt. (See Fig 4a)

Figure4

Suspending the swing

1. Hook the seat into the two holes in the corner piece of the top cross bar. It is recommended that more than one person be involved in lifting the seat frame. Make sure that the whole swing is set up properly and make any necessary adjustments such as tighten all screws. (See Fig 4b)
2. Place the cushion onto the seat frame as shown in Figure 4.

Your swing is now ready to enjoy!
